ROMB AND ARSON PLOTS CONDEMNED AND URGES STATES TO ACT

Washington, D. C., Dec. L.-A ringing patriotic appeal to the country for the fullest measure of national preparedness, not only against an attackur foreign foe, but from its enemies here at home, will be made by President Wilson in his annual address to

The President completed the preparation of his address late this after-San Francisco, Tee 1 - What noon, and a White House messenger San Fran. length, and is confined entirely to the various aspects of the subject of pre-

Persons familiar with the plan followed by the President in the preparation of this message are of the opinion was, perienced since the thrilling crisis which followed the sinking of the Lustiania. The feature of the appeal which probably will affract the largest in which the President deafs with the

nation's foes within its own domain. The President will speak frankly and bluntly of the activities of those ciffzens of foreign birth who have engaged in alleged plots to further the interests of a fereign power in disregard of the interests of the United

Reference will be made without mineing words to the arson plots in whereby it was heped to prevent the

experiation of munitions. The President is expected to go back. to his address delivered before the Daughters of the American Revolution in September, for phrases in which to characterize that element of our citizenship which does not place the interest of the American governnent above that of all others.

Will Lurge More Drastic Laws. A call for a line-up even more emphatic and frank than he uttered in that speech is looked for by persons who have watched developments here In the past few weeks.
